**Re: Harold Thompson Wastewater Reclamation Facility - EM Building Submittal**

*Referencing - Previously submitted and approved paint/coating systems for HW Building dated October 11, 2011*

Please review and consider the International Paint/Devoe Coatings products and systems for each substrate in the EM Building that were previously submitted and approved for the HW Building. The previously submitted and approved paint and coatings systems submitted for the HW Building also correspond to the standards set forth in the specifications for the EM Building.

We verify that each of the coatings submitted are suitable for the intended use, and will provide exceptional protective performance when applied in accordance with the technical data application instructions and the specification requirements.

Thank you for your consideration. Please do not hesitate to contact me for questions, additional information or assistance.

Respectfully Submitted,

Bill Cave
